

The Post Building, one of Asbury Park's most beautiful and historic buildings, is located at the crossroads of the city's hip & bustling downtown.

These luxury two bedroom, two bath residences feature over sized windows that flood every room with light. Additional features include soaring ceilings, hardwood floors, gourmet kitchens, many with fireplaces, terraces and exposed brick. The phenomenal open floor plans make this one of the best examples of urban loft-style living anywhere. The Post is within walking distance of the beach, restaurants, shops, galleries and NYC trains. Financing is available.
